## Best and Fairest Voting

The following policy has been developed to provide consistency and direction in the application of voting and awards at the Tooradin Dalmore Junior Football Club. Best and Fairest Awards are applicable for all Junior teams.

1. Best and Fairest votes are awarded for every game of both the home and away season and all finals matches that the team is involved in.
2. The Team Manager, under the direction of the Team Coach, is responsible for ensuring the Best and Fairest votes are awarded, collated and secured until the vote count at the end of the Home & Away season.
3. Best and Fairest votes are awarded on a descending scale with the best player being awarded five (5) votes scaling down to the 5th best player being awarded one (1) vote – using the universal vote card supplied to Team managers at the start of the season.
4. It is important that all people awarding votes are aware prior to the commencement of the game that they are to cast votes for that match and that it is not a Most Improved or Coaches Award vote – these awards are the responsibility of the Coach and Team Officials to decide at the end of the season.
5. The process to be followed in awarding Best and Fairest votes is:
  - i. The Coach votes each week
  - ii. The Assistant Coach votes each week and/or the Opposition Coach/Assistant Coach
  - iii. All families, excluding those listed at 5.i and 5.ii above will be required to vote once per Season. *i.e. coaching staff families do not get to vote if they are already casting votes.* Family names are to be drawn at random prior to the commencement of the season and a roster is to be circulated prior to round one (1) detailing the rounds that each family group is rostered to vote in.
  - iv. The drawing and allocation of family groups is to be overseen by both the Team Manager and Coach.
  - v. It is acknowledged that there may be more family groups than rounds to be played and some family groups may miss out on the opportunity to vote – if a family group does miss the opportunity to vote, it will be by chance alone rather than a selective decision.)
  - vi. If a family forgoes their opportunity to vote, it is to be recorded and another family who have not previously voted, be requested to do the voting for that game. (i.e: selected from a family group that missed an opportunity to vote during the course of the season due to the random selection process at 5.iv)
  - vii. Once every family has voted and there are more games than family groups, then any family that is to be offered the opportunity to vote for a second time is to be selected at random (names drawn from a hat) and overseen by both the Team Manager and the Coach.
  - viii. Votes must be placed in a sealed envelope and not discussed publicly
    - a. The voting slips must include the **date, round and name of the person** who awarded the votes

- b. Envelopes containing the votes are to be sealed, dated and relevant round/match to be noted on the envelope and then handed to the team manager who must ensure that all of the sealed envelopes are collected for each round
- c. Envelopes containing votes are to be placed in a secure location and not opened until the vote count is conducted in the presence of the Coach, Committee Executive Member and Team Manager.

6. Once the vote count has been conducted, the results must be kept confidential and the Team Manager must forward the results to Committee Executive Member for recording.

7. Only the top 4 players will receive a trophy based on the vote count (unless there is a tie for any award where 4 or possibly more players will receive a trophy.)

8. If there is any confusion/questions in regards to the voting system to be used for the Best and Fairest votes, the questions/concerns must be directed to the Committee for clarification.

9. Should a dispute or error occur during the voting process or vote count then the Team Coach must immediately inform the Committee of the anomaly and seek a determination.
