### Player's Code of Conduct

Play by the rules (of both the rules of your club and the laws of the game.)

Never argue with an umpire or other official. If you disagree, discuss the matter with your coach during the break or after the game. Control your temper. Verbal abuse of officials and sledging other players doesn't help you enjoy or win any games.

Be a team player – It's a team game, treat it that way.

Treat all players as you would like to be treated – fairly.

Co-operate with your coach, the umpires and your team-mates. Play for your own enjoyment & to improve your skills.

Don't use ugly remarks based on race, religion, gender or ability – you'll let down your coach, team-mates and family if you do – & many such comments are actually now illegal.

### Parents and Supporters Code of Conduct

Remember that you are there for the participants to enjoy the game. Encourage participation, but don't force it.

Teach that enjoyment is more important than winning.

Never ridicule mistakes or losses – supporters are there to support not downgrade.

Lead by example and respect all players, coaches, umpires and spectators – physical or verbal abuse will not be tolerated.

Never publicly criticise umpires – raise personal concerns with club officials in private. Do not use ugly remarks based on race, religion, gender or ability – you'll let down your family and yourself if you do – and many such comments are actually now illegal.

**By registering our child with TDJFC & South East Juniors we agree to abide by these principles. We support the Club in its undertakings and encourage the Club to take any necessary disciplinary actions including the suspension and banning where warranted of any players, parents and or spectators for repeated or serious breaches of these Codes of Conduct.**
